EasyCare's Benefits Help Ensure a Carefree Traveling Experience

The thrill of the ride kicks in as you set out on your journey. Road hazards are always unpredictable, so make sure you leave prepared; EasyCare's RV DriverCare helps ensure stability and safety with everything from Tire & Wheel Repair and Replacement coverage to Roadside Assistance.

Live fearlessly. Let us worry about the rest.

Tire & Wheel Repair & Replacement

EasyCare will pay for the cost to repair or, if non-repairable, to replace tires and wheels that have been rendered unservicable due to a covered loss—which prevent the tire from sealing and holding air*.

DriverCare is available for:

- Motor homes
- Towable RVs
- Tow vehicles**

**Tow Vehicle means any vehicle used to tow a covered RV or any vehicle being towed by a covered RV, but only while it is towing or being towed by the covered RV.

Trip Interruption

If you have to stay overnight more than 50 miles from your home address while waiting for covered repairs to be completed, EasyCare will reimburse up to \$100 per day for meals and lodging for the first three consecutive days.

Roadside Assistance

You will have access to Roadside Assistance while your contract is in force. Service is available 24 hours a day, 365 days a year, anywhere in the United States (including Alaska and Hawaii) and Canada. The following items are covered (up to \$250 per occurrence):

Jump start/battery boost

- Flat tire changes
- Fluid delivery
- Lockout assistance

Towing & Winch-Out Service

EasyCare will get your RV and your tow vehicle from your location to a repair facility. Towing and winch-out services are covered up to \$500. Winch-out service benefits apply as long as your vehicle and/or tow vehicle is within 25 feet of an established thoroughfare that can be safely reached.

And It Doesn't Stop There. You Can:

- Have your repairs completed at ANY licensed repair facility.
- Transfer your coverage to new owners.
