EasyCare's Benefits Help Ensure a Carefree Traveling Experience

At EasyCare, we understand that buying a Recreational Vehicle opens up the doors to big dreams and big investments. Our Guaranteed Asset Protection (GAP) coverage helps protect you from paying large out-of-pocket expenses for the "gap" between your insurance settlement and the balance of your loan in case of a total loss.

Live fearlessly. Let us worry about the rest.

- Covers up to \$50,000 of the gap between your insurance settlement and your loan balance.
- Covers up to \$1,000 of your insurance deductible.
- Covers loan amounts up to 135% of your RV's value, which leaves room to include other investments, such as a vehicle service contract*.
- Is available on loans up to \$500,000.
- Helps protect your investment for up to ten years.

*Loan to value may vary by plan; see your EasyCare dealer for specific terms.

EasyCare GAP can only be purchased at the time you finance your new or used vehicle, and will amend the terms of your finance agreement.

Let's put this into perspective: At the time of loss, your loan balance is \$129,000. The insurance company places the RV's value at \$115,000. After a \$1,000 deductible they provide a settlement of \$114,000. You still owe \$15,000 on an RV you can no longer utilize.

EasyCare RV GAP can help pay part of that balance, and in some cases, may pay all of the balance.**

**GAP may vary by state or lender and may be reduced subject to terms, conditions, exclusions and state-specific language; see your GAP Addendum for details.

**Our driver benefits are the industry's only
MotorTrend® Recommended Best Buy.**
