

GAP
GUARANTEED ASSET PROTECTION

Buying a car opens doors to new experiences and unforgettable memories, but it also opens doors to potential unexpected expenses. Our Guaranteed Asset Protection (GAP) coverage protects you from paying large out-of-pocket expenses for the “gap” between your insurance settlement and the balance of your loan in case your vehicle is totaled or stolen.

**Embrace the journey...
we'll take care of the rest.**

This piece is intended for marketing purposes only and is a summary of the benefits offered. Not all plans are available in all areas and coverage may vary by state or lender. Ask your dealer representative for the actual contract for complete terms, conditions, exclusions and state-specific language. Purchase of this coverage is optional and is not required to qualify for financing or to purchase, lease or register a motor vehicle.

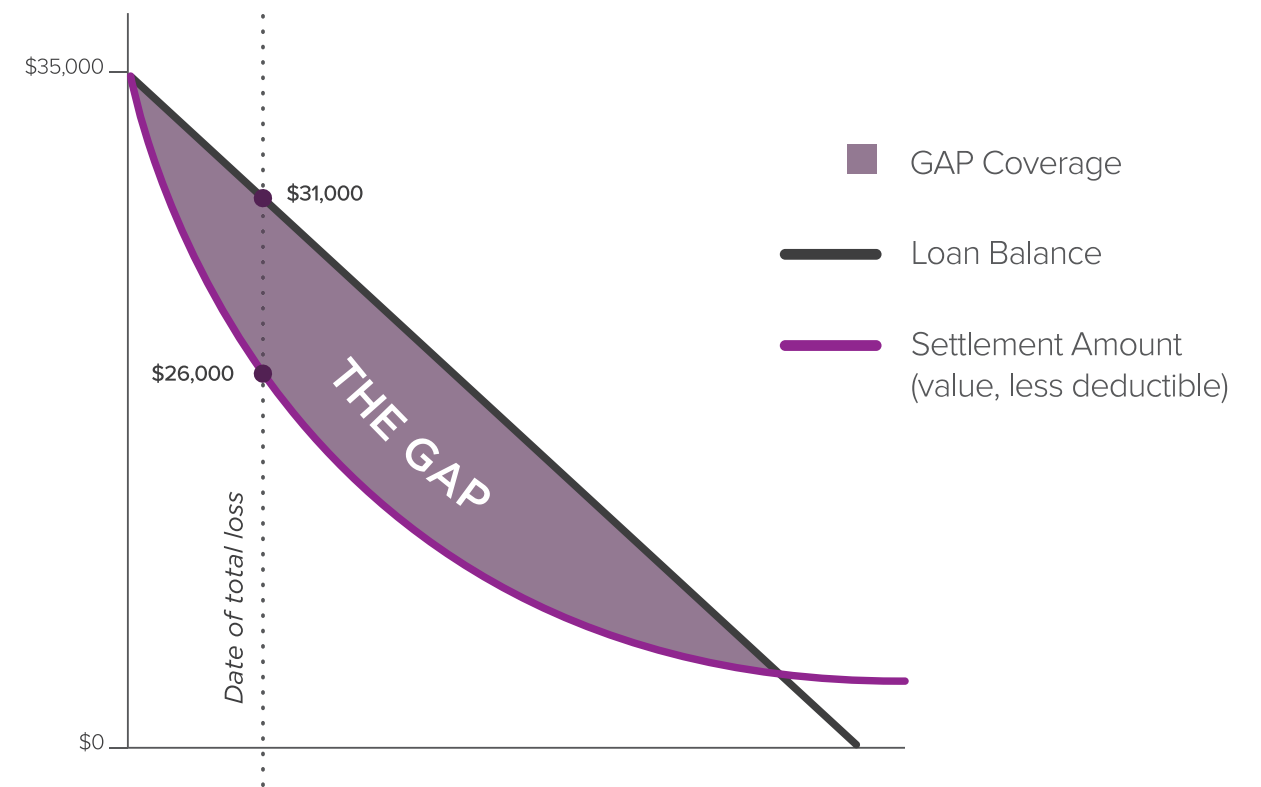

Our driver benefits are the industry's only MotorTrend® Recommended Best Buy.

Benefits of EasyCare GAP

- Covers up to \$50,000 of the gap between your insurance settlement and your loan or lease balance. (May not be applicable to your GAP waiver; see your contract for details.)
- Covers up to \$1,000 of your insurance deductible
- Covers loan amounts up to 150% of your vehicle's value, which leaves room to include other investments to protect your vehicle. (May not be applicable to your GAP waiver; see your contract for details.)

Let's put this into perspective: At the time of loss, your loan balance is \$31,000. The insurance company places the vehicle's value at \$27,000. After a \$1,000 deductible they provide a settlement of \$26,000. You still owe \$5,000 on a vehicle you can no longer drive. EasyCare GAP takes care of that expense**.

EasyCare GAP protection can only be purchased at the time you finance your new or used vehicle, and will amend the terms of your finance agreement.

**GAP Coverage may vary by state or lender and may be reduced subject to terms, conditions, exclusions and state-specific language; see your EasyCare dealer for the actual contract.
