TECHCARE VEHICLE SERVICE CONTRACT

Your vehicle is full of technology to make the drive better. Protect it, and your wallet, from unplanned repairs that may result in significant out-of-pocket expenses. EasyCare's TechCare Vehicle Service Contract (VSC) can protect your investment by being there when technology fails, plus it can increase your trade-in value. It may even cover some repairs that the manufacturer's warranty doesn't.

EasyCare coverage is transferable to another private owner if you sell your vehicle.

Did You Know?

- Today's vehicles are full of computers and technology, and the likelihood those components will need repairs increases over time.
- If you drive more than 12,000 miles per year, your factory warranty may expire before it reaches its time limit—and many used vehicles are already out of warranty.
- A technology vehicle service contract can improve the value of your vehicle by helping with covered repairs before trade-in.

Average Repair Costs

Don't forget to add the cost of substitute transportation expenses that may be incurred while your vehicle is being repaired.

| | |
|---------------------------------------|----------------|
| Navigation Display Unit | \$2,420 |
| Navigation Control Unit | \$1,679 |
| Collision Avoidance Module | \$1,226 |
