

TECHCARE

VEHICLE SERVICE CONTRACT

Your vehicle is full of technology to make the drive better. Protect it, and your wallet, from unplanned repairs that may result in significant out-of-pocket expenses. EasyCare's TechCare Vehicle Service Contract (VSC) can protect your investment by being there when technology fails, plus it can increase your trade-in value. It may even cover some repairs that the manufacturer's warranty doesn't.

EasyCare coverage is transferable to another private owner if you sell your vehicle.

Embrace the journey...
we'll take care of the rest.

Our driver benefits are the industry's only MotorTrend® Recommended Best Buy.

Did You Know?

- Today's vehicles are full of computers and technology, and the likelihood those components will need repairs increases over time.
- If you drive more than 12,000 miles per year, your factory warranty may expire before it reaches its time limit—and many used vehicles are already out of warranty.
- A technology vehicle service contract can improve the value of your vehicle by helping with expensive covered repairs before trade-in.

We go the extra mile

Substitute Transportation*

If your vehicle is in the shop for covered repairs, EasyCare will reimburse you up to \$40 per day for up to six days for a rental, taxi, or rideshare. Upgrade option: up to \$75 per day for up to six days (with applicable surcharge).

24/7 Emergency Roadside Assistance & Towing*

No matter what time you need us, our Emergency Roadside Assistance is here to help with things like towing, battery jump starts, fluid delivery, spare tire change, and more. Simply call the toll-free, 24-hour Emergency Roadside Assistance phone number.

Trip Interruption*

If you have to stay overnight more than 50 miles from your home while waiting for covered repairs to be completed, EasyCare will reimburse you up to \$100 per day for meals and lodging during the first three consecutive days.

Average Repair Costs**

**Repair costs were calculated using a national average of \$125 per hour for labor. The vehicles used in the calculation are as follows: 2019 BMW 540i sedan, 2020 Chevy Tahoe, 2020 Nissan Armada, 2018 Ford Explorer, 2018 Mercedes E300, 2020 Toyota Camry. All vehicles and manufacturers are registered trademarks of their respective corporations.

*Refer to your contract for complete details regarding coverage, terms, conditions, and exclusions.
