

## Did You Know?

- If you drive more than 12,000 miles per year, your factory warranty may expire before it reaches its time limit—and many used vehicles are already out of warranty.
- Today's vehicles come equipped with computers and technology, and the likelihood those components will need repairs increases over time.
- A vehicle service contract can improve the value of your vehicle by helping with covered repairs before trade-in.

## Average Repair Costs

## VSC WITH TIRE & WHEEL

## VSC WITH TIRE & WHEEL

Your vehicle is your ride to adventure and your livelihood—protect it, and your wallet, from unplanned repairs that may result in significant out-of-pocket expenses. EasyCare's Vehicle Service Contract (VSC) offers four levels of coverage to suit your budget and driving habits so you can protect your investment and increase your trade-in value. It may even cover some repairs that the manufacturer's warranty doesn't.

EasyCare coverage is transferable to another private owner if you sell your vehicle.

**Embrace the journey...  
we'll take care of the rest.**

Our driver benefits are the industry's only  
MotorTrend® Recommended Best Buy.

## We go the extra mile

### Tire & Wheel Road Hazard Protection\*

We'll repair or replace tires and replace wheels if damaged due to road hazards caused by objects or conditions not normally found on a public roadway.

### Substitute Transportation\*

If your vehicle is in the shop for covered repairs, EasyCare will reimburse you up to \$40 per day for up to six days for a rental, taxi, or rideshare. Upgrade option: up to \$75 per day for up to six days.

### 24/7 Emergency Roadside Assistance & Towing\*

No matter what time you need us, our Emergency Roadside Assistance is here to help. Simply call the toll-free, 24-hour Emergency Roadside Assistance phone number.

### Trip Interruption\*

If you have to stay overnight more than 50 miles from your home while waiting for covered repairs to be completed, EasyCare will reimburse you up to \$100 per day for meals and lodging during the first three consecutive days.

<sup>2</sup> See Section C in your contract for WHAT IS NOT COVERED.

## EVs need coverage too

It's true that electric vehicles run differently, but they still have many components in common with gasoline vehicles—like heating, air conditioning, steering, technology, electrical, and more.

Plus, EVs have lots of specific, complex components with hefty price tags if they need repairs. EasyCare's VSC includes coverage for these EV components to help protect your budget.

## EV Components' Average Repair Costs

Drive Motor	\$4,767 - \$33,418
Battery	\$4,088 - \$42,343
